ABOUT THE EVENT

SHE IS HOPE LA announces its 2026 Annual Fashion Show, SHE IS "Beautiful," an Old Hollywood Glam experience and fundraiser staged at The Aviator Home in Malibu on Sunday, May 17, 2026, beginning at 2:00 PM. All proceeds benefit SHE IS HOPE LA, a Los Angeles-based 501(c)(3) nonprofit serving single mothers and their families.

The evening transforms the venue into a 1950s studio lot built in black, white, and silver with a camera-ready finish. Guests step into press-line energy, on-floor glam stations, an Archive Vault screening room featuring b-roll and founder interviews, a screen test booth, and studio headshot portraits.

THE SHOW

A 60-minute music-driven runway features approximately 30 models, mothers and children of all ages, styled in predominantly black and white looks. The guest dress code mirrors the palette, making the audience part of the set. Three physical screens carry runway title cards, cues, giving prompts, and QR codes connecting guests to donation opportunities throughout the night.

The event closes with the SHE IS "Seen" Award, a surprise recognition presented to an unsuspecting mother in the room. The award includes \$500, a certificate, and a trophy, presented live as an act of visible, immediate support witnessed by the full room.

"She IS Beautiful is not a fashion show that happens to benefit a nonprofit. It is a fundraiser that happens to be stunning. Every station, every screen, every seat is designed to make single mothers feel like the stars they already are and to make sure the room knows exactly why it showed up."
